WHAT WE'RE TEACHING

BENEATH THE SURFACE: A 4-Week Series from the Gospels on **Identity**.

SERIES OVERVIEW:

Who do you think you are? You might define your identity by the things people see on the surface — like your style, your look, your abilities, or your reputation. Those things might have something to do with who you are, but they don't quite capture the whole picture, do they? For each of us, there is always so much more to who we are beneath the surface. But who are we, really? How can we discover who God made us to be? And how can following Jesus shape who we're

becoming? In this four-week series, we'll look at four moments from the early years of Jesus' life. As we do, we'll see how God helps us discover who we're becoming and how God's words help us discover who we are. We'll also learn how the right relationships help us discover how to grow and how Jesus helps us discover purpose.

WHAT WE'RE TEACHING

WORTH SHARING: A 4-Week Series from 1 Samuel & the New Testament on **Evangelism**.

SERIES OVERVIEW:

There are some things we just *have* to share. A funny video, some encouraging words, or a profound moment of kindness are all things we've probably shared this week. When we share, we just want the people we care about most to experience what we have. We're quick to send videos to each other, but how easy is it for us to share our faith? Maybe it's not that we don't *want* to share, but we might have a hard time overcoming some of our obstacles or insecurities. During

this four-week series, we'll take a look at the story of Samuel and the ways that God called him to share his faith through words and action. Together, we'll explore how **God invites us to share the good news**, why **sharing the good news should start with prayer**, what to do when **sharing the good news requires risk**, and how **sharing the good news can happen every day**.

WHAT WE'RE TEACHING

RHYTHM: A 4-Week Series from 1 & 2 Corinthians on Spiritual Growth.

SERIES OVERVIEW:

For a lot of us, music is a central part of our lives. In the car, at school, or walking through a store, music gives us a steady rhythm that plays in the background. But the predictable beats and patterns of our favorite songs can do more than just entertain or inspire us — they can teach us something about growing closer to Jesus, too. While growing in our faith can sometimes feel difficult to measure, the right rhythms can help us keep moving in the right direction. In this four-week

series, we'll explore passages of Scripture from the Gospels, epistles, and Psalms that help us develop spiritual rhythms that help us grow. Together, we'll be challenged to create more predictable patterns in four key ways: by creating rhythms for spending time with God, using our gifts, sharing our stories, and spending time with others.

WHAT WE'RE TEACHING

I AM: A 4-Week Series from the Gospel of John on **Jesus**.

SERIES OVERVIEW:

The best way to know about someone is to let them tell you who they are. We may think we know who Jesus is, but have we let him tell us in his own words? What might happen if we made space for Jesus to speak for himself? There are seven times when Jesus directly told his disciples who he was. In these “I am” statements, he shared with them what it meant to follow him, his heart for others, and how his followers can strengthen their relationships with him and with God. In this four-week series, we’ll dive into Jesus’ words about himself

to learn how his words can reshape our lives today. Through what Jesus says, we’ll learn that **Jesus is love, is truth, is always with us, and is our savior.**

WHAT WE'RE TEACHING

ENOUGH: A 4-Week Series from Acts & the Epistles on **Family**.

SERIES OVERVIEW:

Our relationships with our families can sometimes feel a little bit like a way-too-competitive game night. With our families, sometimes it's fun . . . but other times, we might fight for first place, gang up on each other, betray each other, and walk away with frustration and hurt feelings. Families can be sources of joy and laughter but also stress and tension. But what if our families could be places where we could all help each other win? In this four-week series from

the New Testament, we'll look at how the earliest followers of Jesus created a new kind of community as God's family. Through their example, we'll learn that there is enough when we share what we have — and if there isn't enough, God provides. We'll also learn that our actions can speak when words aren't enough and that God's love is always enough.
